Dear Saman:

At its meeting yesterday, the Board of Directors of the Rotary Club of Lahaina Sunset voted to endorse the proposed West Maui Greenway and to become a charter member of the proposed West Maui Greenway Alliance.

We commend the Maui Bicycling League, the County of Maui, the State Na Ala Hele Program and the National Park Service for their joint efforts to formulate a plan for the establishment of the greenway. We applaud Mayor Alan Arakawa for adding \$1.5 million to his proposed County FY 2017 budget to launch the greenway.

The Rotary Club of Lahaina Sunset believes the proposed West Maui Greenway will be a recreation and transportation resource of enormous value to the residents of Maui and to our island visitors.

Our Rotary club offers our support and commitment to the development of this project. We look forward to assisting advocacy efforts for the greenway.

Please let us know what further information you require from us to enroll the Rotary Club of Lahaina Sunset as a charter member of the West Maui Greenway Alliance.

Mahalo for your productive efforts on behalf of the West Maui community.

Sincerely,

*Sandra Schneider*
